

WHAT'S YOUR COPAY?

Knowing the copay level for your prescription drug is easy. It can also save you money. Just remember:

- Tier 1 – your lowest cost option, includes mainly generic medications and a few brand-name drugs
- Tier 2 – offers more brand-name options, including preferred brands and some generics
- Tier 3 – the most costly option with non-preferred brand medications

FIND YOUR COPAY

1	rampri	1	IMITREX NS	2	VYVANSE
2	trandolapril	1	(QL= 6 spr/Rx; 2 fill/30 days)		DAYTRANA
2	Angiotensin Receptor Blocker		MAXALT (MLT)	2	dexamethylph
